Multicultural Christian Fellowship. We believe that the church is the place appointed by God where people could find belonging, to Him and His other children. A place where wholesome relationships and accurate connections are developed not to have leverage for personal agenda but rather to learn the rules of engagement in order to move as one to be able to pursue the plans and purposes of God.

We also believe that where we are is a place where the potential Kingdom Builders are being shaped, formed and equipped to be useful instruments in the hands of God. If you follow, He will make you, if you don't, He cannot form you.

In this "Appointed Place" called "church", we don't just celebrate God's presence; we give Him thanks for who He is, for everything He has blessed us with by honouring Him with our substance to be able to resource others to greatness. We indeed do experience "divine encounter" in His presence, and thus, we say: "God doesn't stop His work in building lives - increasing the capacity in spirit, thereby enabling Kingdom Builders to fulfill the assignment He has given. LIVE and BUILD with power and integrity for His glory.

Vision‐Mission Statement: Christ's Unending Love To Unify Races And Lives

The name MCF which stands for Multi-CULTURAL Christian Fellowship carries and discloses its VISION. In spite of numerous cultures, MCF believes that there will come a time when the "Kingdom Culture" will be embraced and the abundant life in Christ will be the one that everyone would have.

JOHN 17:21 … that they may all be one as You, Father, are in Me and I in You, that they also may be one in Us, so that the world may believe and be convinced that You have sent Me.

Being propelled by this vision, MCF has turned from merely one with a vision to a visionary on a mission extending its hands to whom and where God leads. Building lives, empowering people and sharing the Gospel of the Kingdom in a very realistic manner are just some of the things we do as one of our ways to worship Him is our MISSION.
SUNDAY CELEBRATION starts @ 10:00 am
